In-Home Therapy

Our experienced therapy team works closely with your physician and nursing staff to support your recovery and help you regain independence at home.

Our therapy services include:

- **Physical Therapy** - Improve strength, balance & mobility
- **Occupational Therapy** - Restore daily living skills and independence
- **Speech Therapy** - Support communication, memory & swallowing

Home Health Aides

Some patients may qualify for an aide to help assist with a bath, meal preparation, and do some light housekeeping.

WHEN YOU NEED A HELPING HAND

Caring for a loved one at home can be challenging. Many families want the best care for aging parents or recovering family members, but providing that care alone can be overwhelming.

For more than **35 years**, Approve Home Health has helped families across **North Central Arkansas** receive compassionate, professional care in the comfort of their own homes.

WHY APPROVE HOME HEALTH?

- 35+ years experience
- Full-Service Care
- Personalized Care Plan
- Coordination with Physician
- Insurance Handling
- Medical Equipment Support
